Hello **Amirhossein**,

Term Project Topic (30%) of you for ITEC314 is decided to be as:

Mobile Phone Selling Company, Selling and Customer Satisfaction Management Systems

It will be evaluated within four **milestones** as:
1. (5%) Analysis and design of the problem, (Class Diagram – UML) (Send as a PDF document) (Submission Date (SD): 17 May 2020.
2. (10%) Engine part of the Solution (Def. of Classes, constructors, gets-sets methods, List Arrays, insert, update, delete, list and test methods) (SD: 31 May 2020)
3. (8%) GUI part - Dressing Up the project (Complete the menu systems, Input-Edit-Delete-List UserForms) (SD: 7 June 2020)
4. (7%) Database Adaptation (MySQL Tables, connectivity, adaptation of the insert-update-delete-list methods to SQL) (SD: 14 June 2020)

Also, you will be evaluated with **three home works**, as their details are given below:
1. (10%) Home Work-1 (SD: 17 May 2020): Completing the engine part of the project, already its half being solved in the lecture.
2. (10%) Home Work-2(SD: 24 May 2020): Complete the GUI part the same project
3. (10%) Home Work-3(SD: 07 June 2020): Adding Database connection to the existing project.

   Every Homework will be evaluated as (Totally 10%):
   - On time submission: (2%)
   - Completeness: (4%)
   - Working without any error (4%)

Good Luck

Cem Yagli
